Data transfer to third parties

Your personal data will only be transmitted to third parties, provided that legal bases or statutory transfer obligations exist or if you have consented to the transfer.

Retention of the data

Your personal information will be retained by us for as long as necessary to fulfill the purpose for which it was collected as described in this Privacy Policy and / or as required by applicable law.

Security of the data

We use organizational, technical and administrative resources to protect the personal data against unauthorized access, unlawful processing or disclosure, as well as against loss, falsification or destruction whether the data processing is done electronically or in paper form.

Your rights

Please contact us for information, corrections or cancellations of your personal information. If you believe that the processing of your data violates data protection law or if your data protection claims have otherwise been violated in a way, you can complain to the supervisory authority. In Austria the data protection authority is responsible for complaints.
